

PRESS RELEASE

Doug Pearce steps down from Westport Board of Directors

May 13, 2016

Resignation tendered in preparation for merger

VANCOUVER, BC – Westport Innovations Inc. (TSX:WPT / Nasdaq:WPRT), engineering the world's most advanced natural gas engines and vehicles, announced today that Doug Pearce has resigned from the Board as part of plans relating to the pending merger with Fuel Systems Solutions.

Mr. Pearce, who has over 35 years experience in financial management and capital markets, was elected to the Board on May 1, 2015

"On behalf of the Board, I would like to thank Doug Pearce for his time and expertise. With his proven leadership skills in strategy development and strong knowledge of risk management and governance, he has contributed a significant amount to the Board. We wish him well in his new venture." Warren Baker, Chairman of the Board, said.

Mr. Pearce's resignation is effective from today, Friday, May 13, 2016.

About Westport Fuel Systems

At Westport Fuel Systems, we are driving innovation to power a cleaner tomorrow. We are a leading supplier of advanced fuel delivery components and systems for clean, low-carbon fuels such as natural gas, renewable natural gas, propane, and hydrogen to the global automotive industry. Our technology delivers the performance and fuel efficiency required by transportation applications and the environmental benefits that address climate change and urban air quality challenges. Headquartered in Vancouver, Canada, with operations in Europe, Asia, North America and South America, we serve our customers in more than 70 countries with leading global transportation brands. At Westport Fuel Systems, we think ahead. For more information, visit www.wfsinc.com.
