Westport Fuel Systems Announces the Temporary Suspension of Production in Brescia, Italy

March 16, 2020

VANCOUVER, BC - Westport Fuel Systems Inc. ("**Westport Fuel Systems**" or the "**Company**") (TSX:WPRT / Nasdaq:WPRT) today announced the decision to temporarily suspend production in its Brescia, Italy facility effective immediately. The Company's Italian operations in Cherasco and Albinea continue to operate under the highest and most stringent standards for health and safety in line with the Italian Government's guidance, decrees and directives on COVID-19. The Company intends to reassess the production suspension at its Brescia facility in two weeks.

Given the capabilities of the organization and the opportunities provided by smart working, all non-manufacturing activity will continue on a regular basis.

"The health and well-being of our global team of employees is our utmost priority"

"Our team in Italy has responded to this unprecedented challenge with resilience, determination, and care for each other. In the last three weeks, our Italian leadership team and employees have worked tirelessly to ensure continued and seamless operations at our three facilities and were able to manufacture and ship without any disruption to customers", said David M. Johnson, Chief Executive Officer of Westport Fuel Systems.
